

WISH TREE inspired by Yoko Ono

Yoko Ono's Wish Tree project has been done and exhibited around the world to help people visualize and share their positive wishes for themselves and the world by writing them down on tags and hanging them from a tree! Create one in your own home or outside by cutting out the tags above and making a hole where you see each circle. Tie string through the hole and find a tree or plant outside or in your house to hang your wishes from. Then, follow Yoko Ono's instructions below:

- 1. Make a wish.**
- 2. Write it down on a piece of paper**
- 3. Tie it around a branch of a wish tree**
- 4. Ask your friend to do the same**
- 5. Keep wishing until the branches are covered in wishes**
