Young At Art Museum Receives $100,000 Grant from Genesis Inspiration Foundation

[Broward County, Florida - June 22, 2023] – Young At Art Museum, a prominent cultural institution dedicated to inspiring and enriching the lives of young people through the power of art, is pleased to announce that it has been awarded a generous grant of $100,000 from the esteemed Genesis Inspiration Foundation. The check presentation ceremony will take place at the Young At Art Museum, located in Broward Mall, on June 27, 2023, at 10:30 am.

This year, Genesis Inspiration Foundation donated $3 million to 48 nonprofit organizations working in the arts nationwide committed to supporting education through the arts for children. The foundation recognizes Young At Art Museum’s ongoing dedication to nurturing the artistic development of children and youth which highlights the museum's significant impact on the local community and beyond. This substantial grant from the Genesis Inspiration Foundation will enable Young At Art Museum to expand its educational programs, enhance its exhibits, and provide access to the arts for even more children and families with outreach initiatives to underserved communities.

“It’s all about the kids. With art programs being cut in schools across the country, it is important that we step up and support organizations who are filling an unmet need in children's education,” said Peter Lanzavecchia, vice chair, Genesis Inspiration Foundation. “Art promotes creativity, confidence, and academic achievement, among many other positive effects on young minds.”

"We are thrilled and deeply grateful to the Genesis Inspiration Foundation for their incredible generosity and belief in our mission," said Marie Berlin, CEO of Young At Art Museum. "This grant will enable us to further our commitment to fostering creativity, imagination, and critical thinking skills among the youth we serve. With these funds, we will continue to create meaningful art experiences that inspire young minds and positively impact our community."

The check presentation ceremony on June 27, 2023, will bring together representatives from Young At Art Museum, the Genesis Inspiration Foundation, local Genesis car dealerships and partners. Attendees will have the opportunity to witness the momentous occasion as the grant is officially presented to Young At Art Museum.
