Fortune Teller
by Francisca Oyhanarte

Francisca Oyhanarte is a Miami-based multidisciplinary artist, originally born in Argentina. Her animations, gigantic inflatables, murals and live visuals for performances originate from her surreal, multi-colored paper collages. Francisca's mission is to make art inclusive for everyone, and she hopes her Fortune Teller on the next page will help you spark your own creative acts. Cut it out, follow the directions included to fold it and then use it to play with a friend or family member and follow the prompts it gives you!
